

UNIVERSITY OF ISFAHAN

UNIVERSITY OF STRASBOURG

MEMORANDUM OF UNDERSTANDING

Between

UNIVERSITY OF ISFAHAN (I. R. IRAN)

And

UNIVERSITY OF STRASBOURG (FRANCE)

In an effort to continue and expand cooperative activities between the University of Strasbourg and the University of Isfahan, the two parties hereby agree on the following Memorandum of Understanding :

Article 1: Areas of common interest

According to the regulations in force in each of the countries concerned, the two parties agree to enter into a reciprocal program of cooperation and coordination. The program includes:

1. The exchange of teachers and researchers
2. The exchange of students
3. The exchange of academic articles
4. The development of joint research projects
5. Joint Supervision of theses and dissertations
6. The writing of joint academic articles
7. The development and presentation of joint academic courses and programs
8. The development of joint seminars, workshops, webinars and conferences
9. The Laboratory and library services
10. The establishment of joint degrees in bachelor (e.g. program 3+1) and in master (e.g. program 1+1)
11. The exchange of administration staff

The above agreed activities can happen within the following areas and between the relevant departments:

- French studies teaching in short stays at the University of Isfahan for professors from Strasbourg (referent: Prof. J.P. Meyer, Dr Shokrian)
- Persian (Farsi) learning and teaching and applied linguistics (referent: Dr Amir Yousefi, Prof. Nader Nasiri-Moghaddam)
- English literature, applied linguistics, translation and second language learning and teaching (referent: Dr Amouzadeh)
- Historical and cultural studies within the framework of Iran – France
- Germany studies, in cooperation with Research units EA 1337, EA 1340, EA 1341 of Unistra and the Faculty of Humanities and Literature at the University of Isfahan (Referent: Dr Sangari)

The project will be to plan:

- A joint master program in French studies at the University of Strasbourg (a 1+1 joint degree) (referent: Prof. Guion and Dr Shokrian)
- A joint master program in German studies at the University of Strasbourg (a 1+1 joint degree) (referent : Prof. Maillard and Dr Mansouri)
- A joint master program in Iranian studies at the University of Isfahan (a 1+1 joint degree) (Referent: Dr Sangari)

Institutional cooperations, with collaboration of experts

- Establishment of “Maison des Sciences de l'Homme” based at the University of Isfahan (referent : Prof. Maillard and Professor Roknizadeh)

New cooperations are also expected in following fields:

- Cognitive sciences including Neuroscience (Referent: Dr Marateb), Neuropsychology (Dr A. Naghavi),
- Life sciences including Biotechnology (Referent: Dr Majid Moradmand), Sport Physiology (Dr Salehi)
- Construction Management, Transportation, Lifeline (Dr Zare),

Article 2: Other common activities :

Any collaborative project, activity or program not specified within the framework of this agreement can be developed in the form of amendment signed by both parties.

Article 3: Implementation of the cooperation :

In order to ensure the achievement of the above objectives, the partners will promote contact and cooperation between their departments, teachers, researchers and administrative staff, and will exchange all the information and have all the discussions they need in order to implement their cooperation.

Article 4 : Persons responsible for the cooperation :

In order to ensure the good management of this Memorandum of Understanding, each University will appoint a person within it to be in charge of the day-to-day operation of this program. The persons who will be in charge of coordinating and developing the projects and activities mentioned above are:

Prof. Irini Tsamadou-Jacoberger Vice-Présidente Relations Internationales jacoberg@unistra.fr For Université de Strasbourg	Prof. Seyed Komail Tayebi President Consultant in International Affairs sk.tayebi@ase.ui.ac.ir For Ispahan University
--	---

Article 5 : Validity and duration of the Memorandum of understanding :

This Memorandum of Understanding shall be effective for one (1) year from the date of signing and shall be subject to change and termination by mutual consent. A party may terminate this Memorandum of Understanding

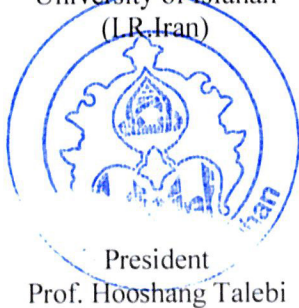

After this period, a report on the activities that have been or will be carried out will be submitted by the above persons to their university authorities. In the light on this report, the relevant authorities will decide whether to sign an International cooperation agreement or not.

This Cooperation agreement will specify the different aspects of the collaboration and will be established according to the laws in force in both countries.

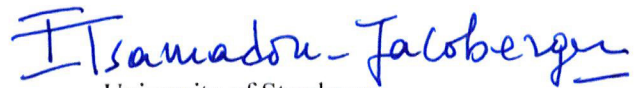

The present document is a Memorandum of understanding which does not create any commitment or legal obligation for the partners.
