On Academic Exchange in Doctoral and Research Programs

Both Sides welcomed the Joint Comprehensive plan of Action (JCPOA) concluded in Vienna on 14 July 2015 and noted that the development and implementation of cooperation referred in this MOU will be in accordance with the implementation plan envisaged in the JCPOA.

In order to facilitate academic exchange for research activities in the program of 'Making Cities Resilient' (MCR) and to promote postgraduate studies in Doctoral Program in scientific fields, the Real Estate Development and Project Management Division of the Vienna University of Technology; Modul University of Vienna; University of Isfahan; and Isfahan Municipality have agreed on the following subjects:

1. The four institutions will encourage co-operation in research and Doctoral programme offered at either university as well as further areas of co-operation which are felt to promote the above-mentioned goals. Such programmes may include:
 - a) organizing joint/dual degree programs;
 - b) conducting joint research studies;
 - c) exploring possibilities of faculty exchanges in research, lectures, and discussions that mutually benefit the universities;
 - d) exploring the feasibility of student exchanges and study programs;
 - e) seeking support for industrial projects determined to be mutually beneficial to the universities;
